What a relief so that means that
It's finally the ending of drama.

There's no place like home
But there's no place like heaven.

Day in, day out clouds move
Like a float on a boat direction
In such speed sky diving high
In a white or dark cloud you see
The sun rainbow garden lovely
Cloud.

Part but the most easiest part but
This is just the beginning everything
Will be good on heaven and earth
After going through hell the beginning
On the road of truth.
